FACULTY POSITION IN PLANT-RELATED MICROBIOLOGY

The Institute of Plant and Microbial Biology (IPMB), Academia Sinica, Taipei, Taiwan (<http://ipmb.sinica.edu.tw/>), is inviting applications for a tenure-track research-oriented faculty position. The research foci of IPMB include 1) mechanisms of plant functions and 2) plant-microbe interactions and bioresources. Applicants should hold a Ph.D. degree plus postdoctoral training, with expertise in studies of plant-related microbiology or plant-microbe interactions. Preference will be given to applicants at the Assistant Research Fellow level (equivalent to Assistant Professor). Successful candidate will receive excellent starter funds and annual intramural support.

The application folder should include 1) a cover letter, 2) a curriculum vita, 3) a statement of research accomplishments, 4) future research plans, and 5) reprints of five representative publications. The application folder (in PDF format) and, separately, three letters of recommendation should be sent via email to:
