

The 19th International Workshop on Plant Membrane Biology

2023 Mon Mar 27th - Fri 31st (CST)

Plant-Membrane-Biology

Humanities and Social Sciences Building, Academia Sinica, 128 Sec 2 Academia Road, Nankang, Taipei, Taiwan, ROC

Dear all,

Since 1968, the International Workshop on Plant Membrane Biology (IWPMB) has provided a stimulating platform to discuss research advances related to plant membranes. The IWPMB2023 Organizing Committee is pleased to invite you to register and submit abstracts for the 19th IWPMB, taking place in Taipei, Taiwan, March 27-31, 2023.

Visit the iwpm2023.imb.sinica.edu.tw for more information

Dates for your attention:

- **1st February 2023** - Deadline for early bird (discounted) **registration**, abstract submission for oral presentations, and fellowship applications
- **1st March 2023** - Deadline for regular registration and poster abstract submission
- **27th– 31th March 2023** - Meeting

The IWPMB2023 organizing committee will award fellowships to selected graduate students, post-doctoral fellows or young principle investigators (in that post for less than five years).

Book your accommodation early. As we have been provided with a limited number of rooms at a discounted price for IWPMB2023, please reserve as soon as possible.

Please kindly forward this event information to your lab members and colleagues and any others who might be interested in this meeting.

We look forward to seeing you in Taipei.

Sincerely yours,

Yi-Fang Tsay
