

**Faculty position at Institute of Plant Biology, National Taiwan University**

**POSITION:** Institute of Plant Biology (<http://plantbio.lifescience.ntu.edu.tw>), National Taiwan University, invites applications for one faculty position in Plant Biology at the assistant professor or higher level. Areas of interest include, but are not limited to Plant Physiology, Plant Molecular Biology, Plant–Microbe Interactions, Genomics, Proteomics, and Metabolomics. The successful candidate is expected to develop a strong research program in plant biology and involved in teaching undergraduate- and graduate-level courses in English.

**QUALIFICATIONS:** Applicants should have a Ph.D. degree in Plant Biology or related disciplines with postdoctoral experience. Well-qualified applicants are expected to have a demonstrated record of publication excellence.

**ANTICIPATED START DATE:** February 1<sup>st</sup>, 2024

**APPLICATIONS:** Please submit a single PDF file with the following information: a cover letter, curriculum vitae, a list of representative publications, a research statement and a teaching plan. Three letters of recommendation should be submitted separately by referees. Please send all application materials by email to:

Director Chiu-Ping Cheng
